

PROGRAMME

RSustain Certified: ESG & Sustainability Internship Programme (CESIP)

A structured, practitioner-led four-week programme

4 weeks | Live online | No prior experience needed

Rs.999 + GST (India) | £30 (International)

The CESIP is a four-week, live-online learning experience for students, graduates and early-career professionals who want a real, working understanding of ESG and sustainability. You will learn directly from experienced ESG practitioners, work through real-world case studies, complete guided assignments and receive career mentoring. No prior ESG experience is required.

What You'll Learn

- Core principles of ESG and corporate sustainability
- Global reporting frameworks: GRI, ISSB, ESRS, CSRD, TCFD, ISO 14001
- Climate change fundamentals and carbon management
- Applied ESG skills through real-world case studies & assignments
- Career readiness: CV, LinkedIn & stakeholder engagement

Programme Structure

- 1 Week 1**

Anyone wanting to build a career in ESG

How to Enrol

Follow these simple steps to secure your place on the programme:

1

Visit the Programme Page

Go to academy.rsustain.co.uk/programmes/esg-sustainability-internship/

2

Select Your Billing Country

India (INR) or International (GBP) -- this determines your payment gateway.

3

Create Your Account (or Sign In)

Enter your name, email and password. Already registered? Sign in first.

4

Complete Payment

India: Razorpay (Rs.999 + 18% GST = Rs.1,179) | International: Stripe (£30)

5

Enrolment Confirmed

You'll receive a confirmation. We'll contact you with cohort dates and onboarding.

After the programme:

On meeting all requirements, your RSustain Academy Certificate of Completion is issued and can be verified online at academy.rsustain.co.uk/verify-certificate/

Important: This is a live, instructor & mentor-led programme -- not a self-paced course. There are no pre-recorded lectures or downloadable study materials.

Frequently Asked Questions

Do I need prior ESG experience?

No. The programme is designed for beginners and early-career learners.

Is this a paid job?

No. CESIP is a structured learning programme -- not a salaried position.

What certificate do I receive?

The RSustain Academy Certificate of Completion.

How is it delivered?

Live online sessions plus guided assignments, over four weeks.

What does it cost?

Rs.999 + GST in India, or £30 internationally.

Why RSustain

RSustain is a UK-based ESG and sustainability consultancy supporting organisations across the UK, India, the Middle East and the United States.
